# 2019-2020 Webinar Series

**When:** Nov 21, 2019 12:30 PM Eastern Time (US and Canada)

**Topic:** Preparing our Students, Faculty and Staff with QPR

**Presenter:** Jessica Stevens, MSW, LISW, Mental Health & Recovery Board of Wayne and Holmes Counties

This webinar will emphasize the importance of preparing our students, faculty and staff in assisting one of our most vulnerable populations, and how one small community has worked to give them the tools to address this topic successfully. Local university and college campuses have graciously partnered with the Mental Health & Recovery Board of Wayne and Holmes Counties to implement prevention efforts on campus in an effort to keep our student population safe. Through the utilization of Question, Persuade, Refer (QPR) students have been identified early and referred to appropriate resources, and the training has allowed participants to feel confident and prepared to have the conversation with peers.

## **Webinar Objectives:**

- Acknowledge collaboration and partnership within the community based on identified need.
- Provide an overview of QPR and the implementation on campus.
- Share outcomes of QPR trainings on campus.
