

OHIO PROGRAM *for*
**CAMPUS SAFETY
& MENTAL HEALTH**
A NEOMED CC&E

The **Ohio Program for Campus Safety & Mental Health** will host its 6th Biennial Conference on **May 18, 2023**.

If you are interested in presenting a breakout session, we are issuing a call for presentations. This year's conference, **Reimagining Campus-CommUNITY Partnerships: Breaking Down the Silos** will be held in person, in Columbus, Ohio at the Quest Conference Center.

To submit a proposal, please complete the form via this link:

https://neomed.sjc1.qualtrics.com/jfe/form/SV_bpytfDIITGI6cku

If your presentation is chosen, you and your co-presenters will need to complete an electronic disclosure form and submit an abbreviated bio and resume. Presenters will also be expected to forward a headshot for conference marketing. Break-out sessions will last one hour. It is our desire that sessions will be engaging and allow at least 15 minutes for questions. The deadline for proposals is **February 28th, 2023**.

The target audience for this conference includes campus stakeholders at institutions of higher education, (public and private, community and independent colleges, career, and technical centers etc.) higher education administrators, behavioral health organizations, health departments, campus security and law enforcement; students, educators, counselors, social workers, and others working within a higher education setting.

We invite presentations addressing at least one of the following objectives:

- Identify how colleges and universities can collaborate with the campus-community to leverage the promotion of student safety & well-being, mental health awareness and campus suicide prevention efforts.
- Identify and acknowledge the cross-communal and inter-university partnerships that address and strengthen the outcome of mental health service provision for student populations.
- Identify outreach opportunities to engage student-focused programming that addresses stigma and barriers to accessing mental health care.
- Provide best practices, resources, and help-seeking options that target suicide prevention for all campus-community student populations.
- Recognize inclusive strategies and efforts meeting the needs of all groups within the campus-community, including first generation, BIPOC (black indigenous and people of color), students with needs for accessibility & accommodations and historically underrepresented backgrounds.

Questions regarding conference presentations can be submitted to: opcsmh@neomed.edu
