

2024 OPCSMH Virtual Symposium

SHIFTING FROM AWARENESS TO ACTION

September is Suicide Prevention Awareness Month

Learn from industry leading experts how to shift from awareness to action and implement the following practices in your campus-community. This symposium includes:

- A panel discussion for helping-professionals
- A statewide suicide prevention model
- Utilization of campus-community partnerships for suicide prevention
- Considerations of follow-up care in suicide prevention and wellness
- Insight on unique experiences in suicide prevention for culturally diverse communities

Join as your schedule permits!
