## OPCSMH 2024-2025 Webinar Series

# SUPPORTING AND ENGAGING STUDENTS WITH ACCOMMODATION NEEDS

More than 20% of college students may qualify for accommodations, so an important part of supporting college students is understanding the resources available to accommodate mental, physical, and learning conditions. This webinar will discuss the various reasons why students might need accommodations, how students actually get accommodations, and what you need to know to support those students while they navigate the accommodation process.
