OPCSMH 2024-2025 Webinar Series

FINDING MY HEALING LENS

Throughout this session, you'll delve into the complexities of mental health challenges and identity, exploring opportunities for fostering empathy and building inclusivity within our support networks. Through Brandon's moving narrative, you'll uncover invaluable practices for emotional healing and resilience, empowering you to navigate your own journey with courage and fortitude. Be guided through the transformative potential of introspection so you can envision your desired life and embody the person you aspire to be. Whether you're a mental health professional, student, or community member, this presentation promises valuable insights and tools to navigate your path to well-being with compassion and understanding.
