2025 Ohio Program for Campus Safety and Mental Health (OPCSMH) Conference Call for Award Nominations

Campus-Community Partners

The OPCSMH Award Nomination Portal is *Now Open until March 3rd, 2025*

Each year since 2012, the Ohio Program for Campus Safety and Mental Health has provided mini-grant funding through Campus-Community Collaborative Grants (CCG) to Ohio's institutions of higher education, in partnership with community organizations, to promote campus-community collaboration to support mental health promotion, stigma reduction, and suicide prevention programming. In honor of the OPCSMH 7th Biennial Conference, we are proud to recognize one Grantee with the inaugural Outstanding Campus-Community Collaborative Grantee Award.

Do you know a CCG grantee that has exhibited an outstanding commitment to supporting the mental health of their students, staff and faculty through collaborative efforts with their campus-community? **Help us recognize these extraordinary partners by submitting a nomination!** Nominations of both past and present CCG grantees are welcome. Self-nominations will also be accepted.

Award winners will be recognized at the OPCSMH 7th Biennial Conference: *The Evolving Landscape of Campus Behavioral Health* on May 15th, 2025.

Award nominators and award winners will be notified in March 2025.
