NOTHING ABOUT US WITHOUT US: VOICES OF OHIO STUDENT MENTAL HEALTH LEADERS

Join us for an engaging panel discussion featuring members of the OPCSMH Collegiate Student Mental Health Advisory, where student leaders will share their reflections on the impact of mental health initiatives on campus from Mental Health Awareness Month and beyond. This strength-based conversation will highlight the power of student-led efforts in promoting well-being, increasing awareness, and fostering supportive communities. Panelists will discuss the knowledge and awareness they've gained through their involvement, offer takeaways from their experiences, and provide actionable suggestions for enhancing mental health advocacy in higher education. Whether you're a student, faculty member, or mental health professional, this discussion will offer valuable insights and inspiration for creating meaningful change.
